

Warranty Conditions for Education use, iiyama Large Format Touch Displays

The standard warranty period is five (5) years for use in the education market from the date of sale to the first end user as a new device (guarantee period). Proof of purchase will be required at the time of the warranty claim. An end user is a person who acquires the product for their own use and not for the purposes of commercial resale.

Terms and Conditions for use in Education:

- Average usage time 8 hours per day, 5 days a week.
- Used in landscape format only.
- Only for standard mounting (not for kiosk or cabinet mounting).
- Environment temperature max 25° C.

The warranty for education use applies only to new products, not for refurbished or ex-demonstration products.

The warranty for education use applies only for registered and confirmed products by iiyama.

The warranty for education use applies only to products bought in United Kingdom, Benelux, France, Poland, Germany, Austria, Italy, Spain and Denmark. For other regions standard LFD warranty terms apply.

The warranty claim entitles the user to a repair, the replacement of defective parts or an exchange of the product for a product of equal quality. The performance of warranty claims shall cause neither an extension nor a restart of the warranty period.
