

27" IPS monitor with WQHD resolution perfect for multi-monitor set-ups

With an attractive 3-side borderless design the ProLite XU2793QS is perfect for multi-monitor setups. The IPS panel and WQHD (2560x1440) resolution, offers noticeably sharper images, excellent colour performance, wide viewing angles, making this ideal for productivity solutions, demanding office, and financial applications. Featuring a 1ms response time and FreeSync, this is suitable for the home office environment and casual gaming.

Equipped with speakers, headphone socket, HDMI and DisplayPort connections, a blue light reducer function to reduce eye fatigue and compatibility with iiyama desktop arm accessories for multiscreen productivity solutions, make this 27" XU2793QS display is ideal for any modern workplace.

Available also with height adjustable stand : [ProLite XUB2793QS-B1](#)

IPS Technology

IPS technology offers higher contrast, darker blacks and much better viewing angles than standard TN technology. The screen will look good no matter what angle you look at it.

WQHD

With true WQHD 2560 x 1440p resolution your monitor is ready to display high definition images. This means you can accommodate more information on your screen, i.e. over 76% more in comparison to a 1920 x 1080 monitor.
